

EXTENSION OF TIN VALIDATION DEADLINE

The Tanzania Revenue Authority (TRA) expresses its appreciation to Dar es Salaam residents for participating in the ongoing Taxpayer Identification Number (TIN) validation process.

Following a massive turn up of the residents are required to validate their TIN, TRA has extended the deadline for the validation to **31st January 2017**. Together with extending the deadline, TRA has also increased the number of validation centers.

TRA also reminds the general public that business TIN holders should validate their information at their respective tax region centers and those holding non- business TIN (i.e. TIN attained for driving licenses or importation of goods) can validate their TIN at any designated center in Dar es Salaam.

The current validation centers are:

TAX REGION	CENTER
Ilala	Samora, 14 Rays – Gerezani
	Shaurimoyo
	Vingunguti DL Plaza
Kinondoni	Millennium Tower
	Kibo Complex Tegeta
	TRA Mwenge Regional office
	Kimara Tax office
Temeke	The National Stadium
	Kigamboni Tax office
	Mbagala Tax office

In addition to the above centers, TRA has introduced a mobile center that will provide service in different areas. TRA continues to improve services by increasing validation centers and equipment for efficiency.

Finally, TRA, urges the citizens to be aware of conmen because the validation process compels TIN bearers to physically be at the centers.
